A Judeo-Christian Caucus, Golden State Meeting was packed. Many pastors came in at this meeting and prayed for our Nation. Regional Meetings throughout the state were held Saturday, March 11, 2023. They discussed their achievements in 2022 and their plan for 2023.

Our Meeting: CALIFORNIA REPUBLICAN VETERANS ASSOCIATION met Saturday, March 11, 2023, at 12:45-1:45pm. We had a great turn out and brought in new members. Please welcome them in an email.

<i>Kathleen Hazelton</i>	meetyahshua@hotmail.com	<i>Upland, CA</i>

Kathleen Hazelton has been appointed by our former San Bernardino Char, John Berry to take over as he has now moved to Florida. John and I have talked, and we wish him the very best. He is a great leader and has done a lot for CRVA and San Bernardino County. CRVA members will be contacted by Kathleen introducing herself as the new County Chair. Thank you Kathleen and we support you. Let's continue to communicate to make all chapters successful.

Our Guest Speaker, Darin Selnick, former President Trump VA Advisor did share a lot about the VA healthcare and benefits. Unfortunately, it appears this administration supports a more socialism healthcare. Our Veterans deserve better and a more robust healthcare. Mr. Selnick does write Op-Eds for CRVA also, which are posted on our website www.cagopvets.org. If you want to know more about Community Care, please visit www.va.gov/communitycare. To contact Mr. Selnick, please email him at darin.selnick@gmail.com.

We also have two more qualified educators in leadership and law that will be writing for our Association. Our website will have all updates (www.cagopvets.org). Photos from the convention are on our website and on Facebook.

*Save the date for the next convention which will be our **Fall CAGOP CONVENTION** **September 29-October 1, 2023, in Anaheim.** Hotel block will not be set for a couple of months. But please come. Our meetings are free and membership counts. See you there. Support your Veterans. Are you registered to vote?*

Our Mission is:

We are dedicated to the purposes of registering voters, nominating, endorsing and electing members of the Republican Party to Federal, State, and local public offices.

WHAT GREAT ACHIEVEMENTS WE ACCOMPLISH TOGETHER.

Semper Fidelis,
CALIFORNIA REPUBLICAN VETERANS' ASSOCIATION
